Year 7 Homework Menu

Select two starters, main courses and desserts from the menu. Dish deadlines are detailed below. ¡Buen provecho!

Starter –

Research five animals that are native to a Spanish speaking country.

Find out about someone in the Spanish Royal family and describe them.

Invent an animal that could survive in the Costa Rican rainforest.

Research Eva Perón or Che Guevara and summarise their importance in history.

Main Course –

Create a celebrity family tree and describe it in Spanish.

Create your own family tree and describe your family in Spanish.

Write a worksheet which helps others understand how to use adjectives in Spanish.

Create a cartoon character and describe their appearance in Spanish.

Dessert –

Create a quiz which challenges other students to practice how to describe themselves and others.

Teach someone at home the animals in Spanish (get an adult to sign your planner!)

Design a super pet. Label in as much detail in Spanish as you can and look up some interesting adjectives.

Write a short paragraph describing yourself and your family.
